	<p>Comments: Evenlode wishes to vote AGAINST the companys remuneration policy. The policy is unchanged in terms of performance measures from the policy in 2014, which used predominantly Profit Before Tax - PBT for the annual bonus and consisted entirely of Earnings per Share for the Long Term Incentive Plan. This range is too narrow, and bringing in other metrics, including personal objectives, would be beneficial. Financial metrics could include organic revenue growth, or measures based on the firms stated KPIs such as revenue per employee and trading margin. We do welcome the increased shareholding requirements however.</p>
